Boyne Falls Public Schools

PO BOX 356 · 1662 M75 SOUTH · BOYNE FALLS, MICHIGAN 49713

All positive COVID-19 cases among BFPS staff and students will be posted here. In accordance with the BFPS Continued Learning Plan, the following actions will take place fore each positive case:

- The individual(s) in question will be quarantined from work/school until released to return by the Health Department
- BFPS will work closely with the Health Department to conduct contact tracing. Those individuals who are determined to have been in close contact with the COVID-19 positive individual(s) who will be personally contacted by someone from the Health Department or BFPS with additional guidance.
- The BFPS facilities team will conduct additional, deep cleaning of the classroom, office, bus, or other space that was occupied by the COVID-19 positive individual(s) prior to it being reopened for staff and/or students. The cleaning will be performed in accordance with United States Centers for Disease Control and Prevention ("CDC") guidelines.

The COVID-19 Dashboard will be updated when there is a change through the school year to keep our community informed.

In accordance with the Health Insurance Portability and Accountability Act (HiPAA) and Family Educational Rights and Privacy Act (FERPA), personal information on COVID positive individuals will not be provided.

The district's COVID response plan is included in the 2020-21 Return to School Plan which is located on the district website.

COVID-19 Dashboard Reporting for BFPS			
Date	Building/Location	Number of School Associated Cases of COVID-19	Cumulative Number of School Associated Cases of COVID-19
