**Foster Care Licensing Specialist
Antrim-Charlevoix-Emmet MDHHS**

Our agency works with families in becoming licensed foster homes. These families are specially trained and accept placement of foster children into their homes, lives, and hearts to offer them a safe, stable, and loving place to live while their biological parents work to resolve any issues related to abuse/neglect. As a Licensing Specialist, I offer orientations to share details on how to become a Licensed Foster Home. Orientations are set up at the convenience of the person interested.

Children's and Family Services

The Children and Family Services Program (CFSP) at NCCMH provides a range of evidence-based supports and services designed for children with intellectual and/or developmental disabilities or serious emotional disturbance and their families. The goal of treatment is to improve the child and family's functioning, relationships with people, and success in school and development. Person and family-centered services are individualized to provide meaningful support in all environments. Strength based approaches are used to create stability in the family unit and to promote continued growth and learning. Services are provided based upon medical and clinical necessity and are trauma-informed and trauma-responsive.

The scope, frequency and duration of treatment are determined by the assessment and person-centered planning process. Supports and services include the following:

- Outpatient therapy
- Psychiatry/Medication review
- Nursing
- Emergency Services
- Home Based Services
- Wraparound Services
- Infant Mental Health
- Children's Behavioral Services
- Autism Benefit services (18 months through 21 years)
- Children's Crisis Response
- Parent Support Partner
- Youth Peer Support
- SED Waiver
- Children's Waiver
- HAB Waiver
- Supports Coordination/Case Management
- Family Support's Subsidy
- Respite Services
